The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

For more information visit www.mercedes-benz.co.uk or call 0333 222 0500.

Model prices

Engine	Model line	Transmission	CO ₂	Basic RRP excl. VAT (£)	Total RRP incl. VAT (£)	Road Fund Licence (£) ¹	Rec. OTR price (£) ²	P11D value (£)	Rec. OTR with PICG (£) ³	BiK tax rate 2015/16 (%)
B-Class Electric Drive Asynchronous motor – lithium-ion battery, 28 kWh, 179 hp/132 kW	Sport	Single speed	0	26,370.83	31,645.00	0.00	32,275.00	32,220.00	27,775.00	5
	Electric Art	Single speed	0	26,616.67	31,940.00	0.00	32,570.00	32,515.00	28,070.00	5

¹A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 36 for the relevant rate for the second and subsequent years.

²Recommended on-the-road price: these prices reflect the Road Fund Licence applicable to the standard model plus £630.00 additional costs necessary to put your car on the road.

Included are a standard UK delivery charge (£540.00 incl. VAT), new vehicle registration fee (£55.00), number plates (£25.00 incl. VAT) and a battery charge (£10.00 incl. VAT). VAT is calculated at the standard rate of 20%.

³PICG (Plug-in car grant) is a £4,500.00 discount from the government. The amount of your grant will be automatically deducted from the price of your B-Class Electric Drive when you purchase it.

Your authorised Mercedes-Benz Retailer will complete all the paperwork for you.

B-Class Sport

Optional metallic paint finish and Premium package shown

True to its name, the Sport's dynamic styling includes a radiator grille in iridium silver with chrome inserts and 17" multi-spoke alloy wheels in himalaya grey. A choice between black, sahara beige or crystal grey ARTICO leather¹ upholstery combined with a sail pattern dashboard trim sets the tone for the interior. The door armrests feature contrast topstitching, and the 3-spoke multi-function leather steering wheel comes with a perforated

grip area. THERMOTRONIC luxury automatic climate control with dual zone adjustment and ambient lighting also add to your sense of wellbeing. Plus, for your in-car entertainment and information, there is the 8-inch colour display and the Audio 20 CD multimedia system with pre-installation for the optional Garmin® MAP PILOT navigation system.

Exterior

- 17" multi-spoke alloy wheels painted in himalaya grey
- Beltline trim strip in chrome
- Exterior mirrors – body coloured with integrated LED indicators and aspherically curved mirror glass
- Radiator grille with two louvres painted in iridium silver with chrome inserts
- Reversing camera with dynamic guidelines on central display

Interior

- Ambient lighting (single colour) with indirect illumination of interior door handles at front and rear and door trim elements
- Cruise control with SPEEDTRONIC variable speed limiter
- Folding tables on rear of driver and front passenger seat backrests

- Footwell lighting in front and rear
- Instrument cluster with 4.5-inch TFT colour multi-function display, silver-coloured dials and red needles
- THERMOTRONIC – luxury automatic climate control (two-zone)

Trim and Upholstery

B-Class Electric Art

Optional Premium package and privacy glass shown

You'll recognise the Electric Art model by its cirrus white or south seas blue paint finish with exterior door mirrors and a radiator grille with two louvres in contrasting paintwork. 18" multi-spoke alloy wheels in matt black are also exclusive to this model line. The stylish interior is fitted with black

ARTICO leather¹ upholstery with blue contrast stitching and sail pattern trim, combined with a black roof liner. On the velour floor mats, you'll notice 'Electric Drive' lettering and blue contrast topstitching.

Exterior

- 18" multi-spoke alloy wheels painted in matt black with a high-sheen finish
- Beltline trim strip in chrome
- Exterior mirrors in cirrus white or south seas blue (in contrast to body colour) with integrated LED indicators and aspherically curved mirror glass
- Radiator grille with two louvres painted in cirrus white or south seas blue (in contrast to body colour) with chrome inserts
- Reversing camera with dynamic guidelines on central display

Interior

- Ambient lighting (single colour) with indirect illumination of interior door handles at front and rear and door trim elements
- Folding tables on rear of driver and front passenger seat backrests

- Footwell lighting in front and rear
- Instrument cluster with 4.5-inch TFT colour multi-function display, silver-coloured dials and red needles
- THERMOTRONIC - luxury automatic climate control (two-zone)
- Velour floor mats with blue contrast topstitching and 'Electric Drive' lettering

Trim and Upholstery

- Sail pattern ARTICO leather¹ - black with contrast topstitching

Driving Assistance package

Blind Spot Assist

Lane Keeping Assist

Safety is at the heart of this package. It features the renowned Mercedes-Benz PRE-SAFE® anticipatory safety system which offers extensive all-round protection. Blind Spot Assist alerts you to unseen obstacles behind you, while Lane Keeping Assist warns you if you unintentionally stray out of the lane.

Driving Assistance package (code DP2) – designed and priced as a package, including items as listed below. **Total incl. VAT £875.00**

Driving Assistance package comprises:

Blind Spot Assist

Visible warning in exterior mirrors if vehicle is detected in the blind spot. Audible warning if indicating to move out of lane when a vehicle is detected in the blind spot

Lane Keeping Assist

Vibrates the steering wheel when detecting unintentional drifting out of lane

PRE-SAFE® anticipatory safety system

If the system detects a critical driving situation, preventive occupant protection measures are initiated, including reversible seat belt tensioning, adjustment of passenger seat positions (if Memory package is fitted)

Energy Assist package

Acoustic presence indicator

Privacy glass

Radar-based regeneration

Range Plus

The Energy Assist package comes with heated windscreen and a radar-based regeneration, ensuring a more efficient drive. Range Plus adds another 18 miles of range thanks to further efficiency measures including additional insulation and all-round privacy glass. As part of acoustic presence indicator, pedestrians and cyclists can be warned of the car's presence at speeds up to 18 mph.

Energy Assist package (code DP9) – designed and priced as a package, including items as listed below. **Total incl. VAT £945.00**

Energy Assist package comprises:

Acoustic presence indicator

Emits audible warning up to 18 mph alerting pedestrians/cyclists of car's presence.
Warning inaudible from interior of the vehicle

Heated windscreen

Good visibility restored quickly even if the windscreen is iced up – with no scraping required

Privacy glass

Heat-insulating dark-tinted glass all round from B-pillars to keep cabin cool in hot conditions and reduce heat from escaping in cold temperatures

Radar-based regeneration

The recuperation power is automatically adjusted to the current traffic situation, leading to more efficient driving, lower consumption and a higher range

Range Plus

Provides an additional 18 miles of range taking the total to 142 miles during the next charge cycle

Exclusive package

Leather upholstery – lava black

Leather upholstery – cranberry red

For an added touch of luxury, the Exclusive package includes leather upholstery in a choice of three elegant colours, as well as floor mats with matching colour edging. The Exclusive package is available only in conjunction with Executive or Premium package.

Exclusive package (code P34) – designed and priced as a package, including items as listed below.

Electric Art

Total incl. VAT £895.00

Exclusive package comprises:

Floor mats with edging in upholstery colour

Leather upholstery – lava black, hazelnut brown or cranberry red

Trim – brown open-pore eucalyptus wood or high-gloss black ash wood

Exclusive package upholstery and trim

Lava black

Hazelnut brown

Cranberry red

Brown open-pore eucalyptus wood

High-gloss black ash wood

Executive package

Active Parking Assist including PARKTRONIC

Heated front seats

Garmin® SD navigation system

This package is designed to add yet more comfort to your journey. It comes with Active Parking Assist including PARKTRONIC for effortless parking, heated front seats and the Garmin® SD navigation system complete with 8-inch colour display.

Executive package (code DP3) – designed and priced as a package, including items as listed below. **Total incl. VAT £995.00**

Executive package comprises:

Active Parking Assist including PARKTRONIC

Active Parking Assist helps find appropriate parking slots and can also automatically manoeuvre the car in and out of perpendicular and parallel parking spaces.

PARKTRONIC monitors front and rear while vehicle is being manoeuvred and warns the driver if risk of collision is detected

Garmin® SD navigation system

Heated front seats

Premium package

Ambient lighting

Bi-xenon headlamps

Electrically folding exterior mirrors

If you want to increase the level of comfort, this package includes the same items as the Executive package, plus bi-xenon headlamps for increased visibility and electrically folding exterior mirrors to assist with manoeuvring and parking in small spaces, as well as auto-dimming rear view and driver's exterior mirrors – a handy feature for dazzle-free night time driving.

Premium package (code DP0) – designed and priced as a package, including items as listed below. **Total incl. VAT £1,695.00**

Premium package comprises:

Active Parking Assist including PARKTRONIC

Active Parking Assist helps find appropriate parking slots and can also automatically manoeuvre the car in and out of perpendicular and parallel parking spaces.

PARKTRONIC monitors front and rear while vehicle is being manoeuvred and warns the driver if risk of collision is detected

Ambient lighting (12-colour)

Auto-dimming rear view and driver's exterior mirrors

Bi-xenon headlamps with headlamp wash

Electrically folding exterior mirrors

Heated front seats

Pricing summary for Executive and Premium packages

Engine	Model line	Transmission	Recommended OTR price (£) ¹			Recommended OTR price with PICG (£) ²		
			Base model	Executive	Premium	Base model	Executive	Premium
B-Class Electric Drive	Sport	Single speed	32,275.00	32,270.00	33,970.00	27,775.00	28,775.00	29,470.00

Genuine Accessories

We've developed a range of Accessories you can add to help personalise and enhance your B-Class. Your local Mercedes-Benz Retailer can advise on fitting costs of Accessories, where applicable. Further information on our full range of Genuine Accessories can be found on the Mercedes-Benz UK website.

01 | Shallow boot tub

The boot tub is suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-split polypropylene, its structured surface holds the separately available stowage crate in place. Deep boot tub also available.

Basic RRP £72.50 (excl. VAT) **Total RRP £87.00 (incl. VAT)**

02 | Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow boot tub.

Basic RRP £71.67 (excl. VAT) **Total RRP £86.00 (incl. VAT)**

> Book a test drive

> Find a Retailer

> View the Range Guide

03 | All-season floor mats

Robust, washable synthetic material, designed for heavy use. Latest design with recessed areas and raised edge. With distinctive Mercedes-Benz star logo. Price for front and rear mats.

Basic RRP £84.17 (excl. VAT) **Total RRP £101.00 (incl. VAT)**

04 | Concertina load sill protector

Protects the rear of the car from scratches when you're loading the vehicle and prevents dirt on the car from getting onto your clothes. Practical design – can be connected to reversible mat, shallow boot tub or deep boot tub.

Basic RRP £32.50 (excl. VAT) **Total RRP £39.00 (incl. VAT)**

05 | Exterior Car Care Kit

The Mercedes-Benz Exterior Car Care Kit is a four-piece collection to keep the exterior of your car looking like it's come straight from the showroom. The bag contains car shampoo, wheel cleaner, sponge and polishing cloth. Basic RRP £20.83 (excl. VAT) **Total RRP £25.00 (incl. VAT)**

06 | Interior Car Care Kit

The Mercedes-Benz Interior Car Care Kit is a four-piece collection enabling you to maintain a spotless showroom finish inside your car. The bag contains cabin care spray, interior glass cleaner, interior glass sponge and car cloth. Basic RRP £20.83 (excl. VAT) **Total RRP £25.00 (incl. VAT)**

07 | DUO plus child seat, with ISOFIX and automatic child seat recognition

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable harness, ventilation channels and ISOFIX attachment points. With automatic child seat recognition. Adjustable tilt. Also available for ages 0+ (1 to 13 kg) and 3.5 to 12 years (15 to 36 kg). Basic RRP £428.33 (excl. VAT) **Total RRP £449.75 (incl. VAT)**

08 | Coolbox

Not only cools but warms too. Cools to up to 20° C below ambient temperature, to max. -2° C. Can be switched to warming function. Robust, highly insulated hard case with fabric cover, outside pockets and padded shoulder strap. Capacity: 24 litres. Can be connected to 12V socket in vehicle or to 230V power source via separately available rectifier. Basic RRP £140.00 (excl. VAT) **Total RRP £168.00 (incl. VAT)**

Insurance ratings may vary depending on model line and specification. Please refer to http://www.thatcham.org/abigrouprating/ for further details		

¹Figures for rated output and rated torque according to Regulation (EC) No. 595/2009 in the currently applicable version. ²Peak power; continuous power 65 kW. ³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 20-100% charge using a wallbox (3-phase) or standard socket (single-phase). ⁴New European Driving Cycle. The figures shown were obtained in accordance with the prescribed measuring process (Sec. 2, Nos. 5, 6, 6a of the German Ordinance on Fuel Consumption Labelling for Cars [Pkw-EnVKV] in the applicable version). The figures are not based on an individual vehicle. They are provided solely for the purpose of comparing different vehicle models.

⁵Figures according to Directive 70/156/EEC as amended by 2000/40/EC.

*The manufacturer's stated fuel consumption figures are based on the legally prescribed NEDC test cycle, which is performed in a laboratory. These are the only figures we are allowed to publish.

It is common that differences occur in real driving conditions compared with these certified laboratory values. They result primarily from conditions different from the legally-prescribed laboratory conditions, for example when ambient temperatures differ (the weather is hot, cold, windy, wet), the vehicle is operated under different loads and many other factors.

For several years, Mercedes-Benz has fully and actively supported the early introduction of the WLTP (Worldwide Harmonised Light Vehicles Test Procedure) and the measuring procedure for Real Driving Emissions (RDE). This procedure is designed to supersede the NEDC, with the goal of bringing standardised and real-world consumption closer together.

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles. Dimensions may vary slightly depending on the engine. Please consult your Retailer for further information.

The figures on pages 34-35 are correct at time of going to print. Please refer to the government website for latest data - <http://carfueldata.direct.gov.uk/>

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate of Vehicle Excise Duty applies to new cars on their first year of registration. For the second and subsequent years a standard rate for each taxation band will apply.¹ The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on page 34, and the relevant Excise Duty is reflected in the on-the-road prices on page 7.

Band	CO ₂ emissions	Petrol/Diesel		Electric/Hybrid	
		First year rate (£)	Standard rate (£)	First year rate (£)	Standard rate (£)
A	up to 100 g/km	0.00	0.00	0.00	0.00
B	101–110 g/km	0.00	20.00	0.00	10.00
C	111–120 g/km	0.00	30.00	0.00	20.00
D	121–130 g/km	0.00	110.00	0.00	100.00
E	131–140 g/km	130.00	130.00	120.00	120.00
F	141–150 g/km	145.00	145.00	135.00	135.00
G	151–165 g/km	180.00	180.00	170.00	170.00
H	166–175 g/km	295.00	205.00	285.00	195.00
I	176–185 g/km	350.00	225.00	340.00	215.00
J	186–200 g/km	490.00	265.00	480.00	255.00
K	201–225 g/km	640.00	290.00	630.00	280.00
L	226–255 g/km	870.00	490.00	860.00	480.00
M	over 255 g/km	1,100.00	505.00	1,090.00	495.00

Services and insurance

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your B-Class Electric Drive, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to four services and safeguard against further inflation. It also covers the cost of all recommended service items including brake fluid and screen wash for your B-Class Electric Drive.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.*

The Mercedes that thinks and acts for you.

Imagine if...

...you could connect with your Mercedes-Benz?

With Mercedes me connect, you can; with Remote Online services¹ that include trip planning, maintenance management and vehicle tracking, plus more.

Getting connected is easy. Just set up your Mercedes me account and get in touch with your Mercedes-Benz Retailer to connect your vehicle to your profile to access your Mercedes me connect services.

...you knew beforehand that you need to stop for fuel?

Simply check the fuel level and mileage range from your phone wherever you are. You can also check tyre pressure and washer fluid level. (For electric cars, you can check battery charge state.)

...your Mercedes could tell you where it's parked?

You no longer need to ask yourself where you left your car; with Mercedes me connect you can locate your car from your smartphone or tablet within a mile radius.

- 1. PARKED VEHICLE LOCATOR
- 2. VEHICLE TRACKER

- 3. REMOTE RETRIEVAL OF VEHICLE STATUS
- 4. PRE-ENTRY CLIMATE CONTROL FOR ELECTRIC DRIVE AND PLUG-IN HYBRID

...you could lock your Mercedes, even if you're miles away?

The uncertainty of whether you've forgotten to lock the car is only human. To make sure your Mercedes-Benz is safe and secure, you can simply lock the car remotely via your PC/Mac, tablet or smartphone.

...your Mercedes told you when your service is due?

Being connected means essential data is constantly sent to your Mercedes-Benz Retailer so they know when it is time for a service. Your Retailer can then contact you with a tailor-made service quote.

...your Retailer already knows which parts need replacing?

As surprising as this sounds, with telediagnosics your Retailer can recognise remotely if certain parts are due for replacement, contacting you to book an appointment and making sure the relevant parts are in stock when you arrive, getting you back on the road as quickly as possible.

...you could just push a button to deal with a breakdown?

Should your car break down, with a simple press of the button everything is taken care of – from breakdown assistance to vehicle recovery.

...your Mercedes called for help?

Your Mercedes comes with an SOS button. Press it if you need urgent help and you will be contacted by the emergency response centre.² In the event of an accident where airbags or seatbelt tensioners have been activated, a call is placed automatically. Your GPS position is sent to the response teams to initiate rescue efforts.³

The Mercedes that thinks and acts for you.

Contact your Retailer to get connected, or go to www.mercedes.me for more details.

¹This is available as an option in conjunction with Audio 20 CD, and standard with COMAND Online. Remote Online is standard with electric drive and plug-in hybrid. Use of the Remote Online equipment option is limited to three years from first registration of the vehicle and can then be extended at extra cost.

²A call is placed via the car's sim card, rather than the customer relying on their mobile phone.

³This feature is still available to customers without Mercedes me connect services. The customer is not required to accept the terms and conditions on the portal to activate this feature. For all other features the customer will have to accept terms and conditions on the portal to activate them.

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

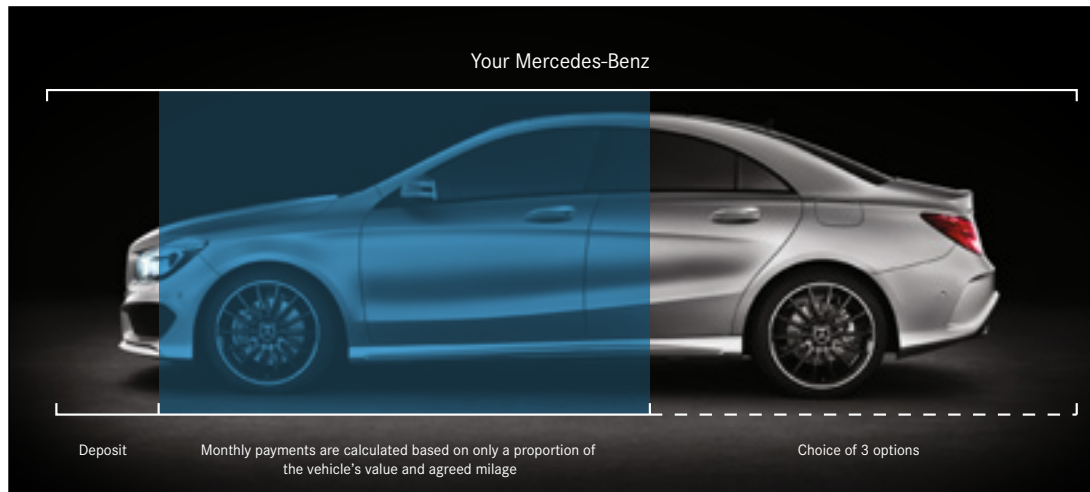

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,^{*} as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
